NOTICE OF EXEMPTION

TO: Office of Planning and Research
1400 Tenth Street, Room 222
P.O. Box 3044
Sacramento, CA 95814

FROM: Department of Parks and Recreation
Angeles District
1925 Las Virgenes Road
Calabasas, CA 91302-1909

PROJECT TITLE: Automated Pay Machines (Piuma, Tapia, Entrance, Lower Day, Sepulveda Adobe)

LOCATION: Malibu Creek State Park

COUNTY: Los Angeles

DESCRIPTION OF THE NATURE AND PURPOSE OF PROJECT:

The project proposes to install five (5) automated pay machines (APMs) in existing parking lots. Four will be solar-powered units and one will replace the current unit and be hardwired to existing utilities; therefore, no additional trenching will be required for utilities.

- Piuma Parking lot – Install solar-powered unit at pay station area in front of retaining wall. Remove old pay signage and iron ranger. Add traffic bollards around machine.
- Tapia Day Use area – Install solar-powered unit and widen area for parking of at least 3 vehicles and accessibility with concrete pad for pay station. Add interpretive panel and trash bin. Add markings for through lane and parking stalls.
- Entrance Station - Replace existing machine with Luke II, hardwired into existing utilities.
- Lower Day Use parking lot – Install solar-powered unit, facing parking area within concrete pad adjacent to accessible walkway. Remove trash bins and recycle containers.
- Sepulveda Adobe parking lot – Install solar-powered unit at parking lot entry and edge of comfort station area, adjacent to accessible pathway.

Each APM unit will require a 3'x3' footprint, excavated to about 18-24 inches in depth for a poured concrete foundation. Bollards will be placed at each corner of the APM that can be approached by traffic. Bollards should be a minimum of 36" above grade, set into concrete with anchoring bars at least 24" in depth, or anchored to a concrete slab.

PUBLIC AGENCY APPROVING THE PROJECT: California Department of Parks and Recreation

NAME OF DIVISION OR DISTRICT CARRYING OUT THE PROJECT: Angeles

EXEMPT STATUS:

- ☐ Declared Emergency (Section 15269(a))
- ☐ Emergency Project (Section 15269(b) and (c))
- ☐ Statutory Exemption (Section)
- ☒ Categorical Exemption

Class: 11 Section(s): 15311

REASONS WHY PROJECT IS EXEMPT: No potential for significant impact to the environment is anticipated in compliance with CEQA §15300.2. If the project is implemented as indicated within the project description including comments provided by CDPR specialists, then it is exempt under CEQA §15311 – Accessory Structures. The action falls under the Departmental List of Exempt activities according to CEQA §15300.4 as:

- "Construction or installation of additional public use facilities" and "Installation of fee collection devices."
(Class 11, Section 15311)
